

SCI Solutions Announces New Contract Signings

Healthcare Software Vendor Expands Advanced Access Management Customer Base

Los Gatos, CA – June 17, 2009 – [SCI Solutions](#), the premier Access Management solution provider for healthcare, today announced it has continued its trend of record breaking quarters. For the first half of the current fiscal year, ending on March 31, 2009, SCI Solutions signed 22 contracts, for its award-winning [Schedule Maximizer®](#) and [Order Facilitator®](#) Patient Access and Revenue Cycle Management solutions. Schedule Maximizer is an Internet-based, enterprise Access Management solution that combines sophisticated workflow technology to streamline a hospital's complex [patient and resource scheduling](#) requirements. Order Facilitator is an Internet-based, web solution for automating outpatient orders for hospital services from community physicians.

SCI Solution's recent contracts represent facilities located across the nation and include: The Cleveland Clinic (Cleveland, Ohio), St. Vincent's Catholic Medical Centers of NY (New York, New York) Lake Pointe Medical Center (Rowlett, Texas) and Saint Thomas Health Services (Nashville, Tennessee) to name a few.

"SCI Solutions is pleased to announce the signing of these contracts and welcomes these clients to our customer base", stated Stuart Hammond, Senior Vice President of Sales at SCI Solutions. "By partnering with SCI, these organizations will be streamlining their Patient Access and Revenue Cycle operations while increasing patient and physician satisfaction."

About SCI Solutions

SCI Solutions is transforming healthcare Access Management with products and services that facilitate the efficient and secure exchange of clinical and financial information between patients, physicians and healthcare facilities. SCI provides a variety of products and self-service portals that help physicians and patients interact easily and at their convenience for many of their access-related needs. From a hospital's clinical departments, to its financial executives, to its physicians SCI improves their effectiveness while making the patient's service experience first class.

Founded in 1999, SCI Solutions is headquartered in Los Gatos, CA with additional offices in Tucson, AZ, Pensacola, FL and employees throughout the United States. For more information about SCI Solutions visit www.scisolutions.com.
