

1 Promote Your Brand on All Digital Properties

Give consumers a frictionless path to choosing your health system with no app to download, easy provider lookup and guest browsing.

3 Reduce the Stress of Urgent Care

Let consumers see wait times and reserve their spot in your Urgent Care Centers, making it an easier experience.

4 WAYS HOSPITAL MARKETERS USE DIGITAL ENGAGEMENT TO ACQUIRE PATIENTS

SCHEDULE

- > my diabetes education class
- my birth center tour
- my vaccination

2 Promote Service Lines and Classes

Offer an easy way for new and returning patients to register for educational sessions and immediately book any follow-on appointments with specialists.

4 Give Patients a Strong CTA

Make scheduling the intuitive response to your outreach campaigns with distinct scheduling sites to promote multiple brands, locations, and awareness campaigns.

Learn how your hospital can quickly launch a virtual front door with the SCI Digital Patient Engagement platform at scisolutions.com.
